Membership application

Eligibility to be a Member of the Association shall occur as a result of attendance at the Community Centre, completion of the attendance register, and the payment of any applicable fee, and who is in agreement with the Associations objectives and is prepared to abide by its Constitution. Each Ordinary Member shall pay an annual subscription, as determined by the Committee.

Annual subscription is determined as the first fee payable each financial year when attending the community centre as part of any group activities at the centre. Therefore any member who attends during the financial year, signs the attendance register and pays their fee (currently \$2) becomes a member for that financial year. For the purpose of the AGM you must be a member for the preceding financial year as the meeting can be held any time after the end of the financial year. If a member is non-financial due to not having fulfilled this condition, their membership will be suspended until such time as they either attend the SCCC or resign their membership.

Attendance at any public meeting, market or private function where a fee is not payable (or is paid by the organizer) does not fulfill the membership obligation.
