Introduction

The individuals, families and communities affected by the 2009 Victorian bushfires continue to rebuild their lives, homes, towns and communities through hard work and perseverance.

The purpose of this Bushfire Recovery Services Guide is to assist you in locating relevant government and non-government services that may help in your ongoing rebuilding and recovery.

Your key points of contact for information and services are:

1. Fire Recovery Unit – closes on 31 December 2015

The Fire Recovery Unit has been a key point of contact for information on services within the State Government for communities affected by the 2009 Victorian bushfires. Information on the 2009 recovery effort will be retained on the FRU website at:

www.rdv.vic.gov.au/fire-recovery-unit

Victorian Bushfire Appeal Fund (VBAF)

VBAF has been the key source of financial support for individuals and communities in towns and suburbs affected by the 2009 Victorian bushfires. The fund is now fully allocated. For more information, visit:

www.dhs.vic.gov.au/bushfireappeal

This guide is only available online.
