YARRA VALLEY  
**ARTS**

Yarra Valley Arts is proud to present Open Studios 2018 over 3 weekends in Spring! Explore the inspiring studios of over 40 fabulous artists across 3 areas of the Yarra Valley. What is it like in an artist's studio? How do they create their work? Have you always wanted to ask an artist what inspires them to create a particular artwork and to see where they actually produce their magic? See artists create their paintings, ceramics, textiles, paper, photography, sculpture and printing.

Use this map and the exhibitions to plan your weekends.

Check for special event and demonstration times on our Facebook page and website.

Open Studios is a free event proudly sponsored by the Shire of Yarra Ranges, and Community Bank Branches of Warburton and Yarra Junction.

*Take your time - discover, explore, stay, enjoy.*
