

“The Steels Creek Art Group, which meets every Thursday afternoon, in the SSC hall, was fortunate to receive a small grant of \$1000 from Yarra Ranges Council this year, to hold an Art workshop.

With clever planning, we were lucky enough to hold 3 workshops, over 3 months.

April / Fluid Art. ( Bec. Gilbert)

May / Acrylic Landscapes of the views from the “Steels Creek Hall”

(Elizabeth. Haig)

June / Fluid Art - coasters and cheeseboards (Bec. Gilbert)

These were great morale building and fun workshops; the Art Group is extremely appreciative to be able to use this outstanding venue each week and on special occasions like this.

We also recently celebrated 25 years of Art for this group, by holding a special exhibition at Art at Linden Gate.

Note this year again here, we are excited to be participating in the Yarra Valley Open Studio in October, giving us all a chance to exhibit and demonstrate all our different art skills, this group just continues to get better and better.

A big thank you to Malcolm, Ivan and the other artists for all continuing your support and friendship.

Thanks so much

Anthea
